**Re: Nanaimo District School Athletics**

Dear Parents/Guardians:

Your son/daughter has been chosen to participate on one of our school teams. We aim for the pursuit of excellence in the areas of student commitment, competition, leadership, skill development, enjoyment and cooperation. Players are expected to maintain a high standard of behaviour at school, in practice and at events as they are representing NDSS.

Our coaches are volunteers with a wide variety of skills and experience. Practices are held on a regular basis and attendance is an expectation for all teams.

Each player on the team will pay an athletic fee that will help offset the costs of the season. The fees will vary from team to team based on the number of tournaments and travel commitments. Some fund-raising may be required.

It is encouraged that parents volunteer to drive to as many games as possible. Please let your son/daughter's coach know if you can help out.

The Athletic Fee and uniform deposit needs to be paid prior to the distribution of uniforms. A uniform **Will Not** be issued if these fees are not paid.

If the payment of athletic fees is a particular hardship for your family, please contact Mr. Johnson at the school by email, [gjohnson1@sd68.bc.ca](mailto:gjohnson1@sd68.bc.ca).

Thank you for your cooperation and support.

Mr. G. Johnson

Athletic Director

NDSS

Mr. G. Steel

Principal
