**Newsletter #10**

**Mid-June NDSS Newsletter – Message from the Principal**

The 2019/2020 School Year is finishing during a pandemic and so transitioning to summer break in less than two weeks certainly doesn't feel as momentous as it usually does for our NDSS staff, students and families.

Perhaps some families are experiencing a sense of loss for out of town vacations that were supposed to take place this summer along with anxiousness at the thought of not knowing when normal travel will be possible. Going through cancellation processes and crossing out spring & summer break plans can create an additional stress on top of all the other adjustments to our work and routines as a result of COVID-19.

- [Importance of taking vacation](#) - Allina Health

Lots of us might start to feel as though we're significantly overdue for a meaningful break, so perhaps an idea is to plan a true 'stay-cation' for your family! Indulge me for a moment, maybe you'll read something that inspires you.

Like every good travel adventure, a good 'stay-cation' needs a plan!

When we stay in our normal environment during time off work or school, it's far too easy to get sucked back into work or into the everyday chores of home. One suggestion is to talk through your stay-cation strategy with others living in your household to ensure the time is completely work-free and allows for relaxing, having fun and recharging.

- [Read more here!](#)

Another idea is to be a tourist right here in Nanaimo!

For realistic tips on how to become a tourist in your hometown, while remaining socially distanced and practicing good hygiene, of course - <https://experience-life.com/article/how-to-be-a-tourist-in-your-own-town/>

- Tour Nanaimo's local landmarks,
- Make a bucket list of fun adventures the family can have right here in town or a short drive away,
- Do your homework about our city's heritage – then go visit historical sites

Whatever your family ends up doing during the Summer of 2020, keep in mind downtime is critical for everyone when it comes to maintaining our mental health and well-being.

**Vacations will look different this year. Not better, not worse. Just different.**

Adventure and recovery await, regardless of your distance from home!  
On behalf of all the Staff at NDSS – Have a wonderful summer break!

Principal, Nanaimo District Secondary School

## GRAD INFORMATION:

### VALEDICTORIANS 2020 Niall Jensen and Aidan Kozubal

#### CONGRATULATIONS!

Niall Jensen, left, and Aidan Kozubal, valedictorians for this year's Nanaimo District Secondary School's 2020 graduating class, and their fellow grads will read words of wisdom written for each of them by residents of Berwick on the Lake seniors community. (CHRIS BUSH/News Bulletin)

<https://www.nanaimobulletin.com/news/nanaimo-high-school-grads-will-receive-words-of-wisdom-from-senior-citizens/>

#### PERSONAL EDUCATION NUMBER (PEN)

Your PEN number is important! This number is your link to your education records. Make certain this number is recorded somewhere safe, as you will need it to order transcripts from the BC Ministry of Education for years to come, or in order to upgrade your education.

#### STUDENT TRANSCRIPT SERVICE (STS) HAVE YOU CREATED YOUR ACCOUNT?

June 2019 was the first year that the Ministry of Education did not mail graduates an original transcript for their records upon graduation. Instead, they are encouraging students to create an account and access the Student Transcript Service.

Transcripts will be available for students to print or send on the StudentTranscripts Service. Students are encouraged to create an STS account prior to the release of assessment or exam results.

#### You can use StudentTranscript Service (STS) to:

- View or order your secondary school transcript
- Send your secondary school transcripts to post-secondary institutions
- Order your graduation certificate
- View your scholarships
- View your provincial exam or graduation assessment results.

Student Transcripts Service: [Click here for website](#)

#### DID YOU KNOW? STS FREE TRANSCRIPTS

Through STS, current students in Grade 12 or on the Adult Graduation Program can send up to 25 free transcripts to post-secondary institutions for up to six months after they graduate. After that time, past graduates may access additional copies of their transcripts via this service for a fee of \$10 per copy.

Students are also entitled to one free transcript after graduation that can be sent to any address. This transcript is not mailed automatically at the end of the school year but, if desired, must be ordered by the student on STS.

#### GRADS, DO WE HAVE YOUR CURRENT MAILING ADDRESS?

Your home address is where the Ministry of Education will send important correspondence. Make sure your address on file is correct!

#### "KEEPER" CAP AND GOWN

The "keeper" gowns have arrived! These can be picked up at the front window here at NDSS.

**Monday, June 15 through Friday, June 19, 2020**

#### Last names beginning with:

**A – L            9:00 – 12:00**

**M – Z            1:00 – 3:00**

Grad fees of \$150.00 are due at the time of pickup, if you have not already paid them. Gowns will **not** be given to those who have not paid. (Cheque only please) Cash will not be accepted for grad fees due to COVID-19 impacts on banking hours and the complication that cash deposits pose for our staff.

**Remember that if Grad fees are not paid, you will not be able to participate in commencement.**

#### GRAD GUEST NAMES MUST BE RECORDED

If you intend to bring guests to your commencement (maximum of 8), we must have their full names on file, should VIHA determine that contact tracing is necessary. If you have not done so, please email [heather.cooper@sd68.bc.ca](mailto:heather.cooper@sd68.bc.ca) with your list of names as soon as possible!

**Yearbooks:** The \$80 Grad fee does **not** include the yearbook. The cost for both the grad fees, student fee and yearbook is \$150. If you need the order form, please email: [info.ND@sd68.bc.ca](mailto:info.ND@sd68.bc.ca)

#### COVID AND VAPING STUDY

One of our grade nine students at NDSS is taking part in a research project by McCreary Centre Society, in collaboration with BC Ministry of Health and youth across BC, to gather information and gain further understanding around vaping in youth and during the COVID-19 pandemic. We are doing this by sharing a survey to reach as many youth in BC as possible. It is completely anonymous, confidential, and voluntary, and I was wondering if you would be willing to add a link to the survey into the schools weekly news letter. It would be a great way to access the age group we are focusing on (youth ages 12-19), and would hopefully interest them in filling out the survey, which would take about 5-10 minutes. I have attached a pdf version of the survey if you would like to look over the questions, and I will attach the link to it below.

To register your child in Nanaimo Ladysmith Public Schools, the online, centralized registration will begin on January 8, 2020 at 8 a.m. Pacific Standard Time. The following information will help determine if this process will apply to you.

Take a moment and ask yourself the following questions:

1. Is my child new to Nanaimo Ladysmith Public Schools?
2. Do I have a child that will be turning five years old on or before December 31, 2020 that will be entering Kindergarten? **Applications must be received by June 15, 2020 to ensure a placement in your child's catchment-area school.**

Dear Parents/Caregivers of Students in Grade 5,

Bonjour! Have you ever wished your child were fluent in both official languages? Over half a million Canadians have achieved functional bilingualism through French Immersion. In our school district, one student in 10 is enrolled in French Immersion and will graduate ready to pursue a bilingual career or post-secondary studies in French.

Over the past 40 years, thousands of students in our district have had great success in Early French Immersion (EFI), which starts in Kindergarten or Grade 1.

If your child is entering Grade 6 in September 2020, they are eligible to enroll in Late French Immersion (LFI) and join those graduating from secondary school with bilingual Dogwood certificates. LFI is a fully funded, 2-year public education program with no additional costs.

Please discuss the LFI option with your child and with other parents. Pending sufficient enrolment, LFI will continue this September at École Quarterway Elementary School ([www.quarterway.ca](http://www.quarterway.ca)). Ideally there will be a class of 29 new Grade 6 students.

Please contact École Quarterway Principal, Arlette Begoum-Kake for more information about Late Immersion entry - 250 754-6845
